My Mass Journal

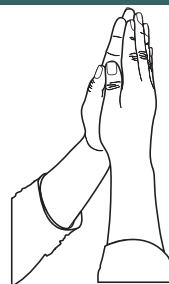

Today's Date:

My Name is:

Today I am praying for:

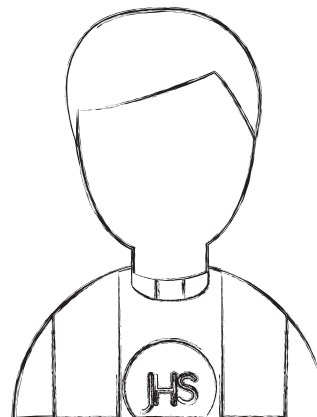

We can pray and offer each Mass for something special. What will you pray for this week?

What color is Father wearing?

The colors at Mass tell us about what important time it is in the Church year! Do you know what each color means? Where else do you see this color today?

Draw or write about what's happening in the readings this week.

God wants to speak to us each week through His Word. What do you think He's saying to you?

My Mass Journal

Draw or write something you see happening at Mass.

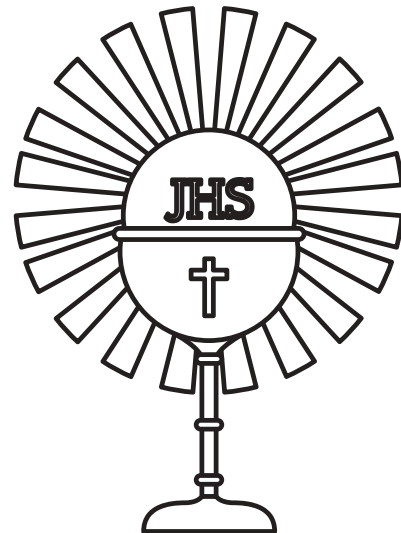

Do you know what is happening here? If not, ask your parents or teacher what this means!

What song did you hear that you liked?

Singing is a way to praise God for all the good things he's given us!

One way I will try to grow closer to Jesus this week:

Jesus is truly present when we receive Communion!

Jesus loves you so much he gave Himself in the Eucharist as a way where we can receive Him and talk with Him in a very special way. If you haven't received First Communion yet, you can still talk to Jesus in this time about whatever is going on in your life.
